Made in Italy

ONDA is a leading company in Heat Exchangers, partner of all main Chiller manufacturers. ONDA produces a complete range of Shell & Tube, Brazed Plate, Plate and Frame Heat Exchangers suitable for Air Conditioning, Refrigeration or Industrial applications.

Our evaporators and condensers are available in different base materials and well adapted to different refrigerants (R22, R134a, R410A...) from 3 to 1500 Tons. All our products are manufactured under ISO 9001 with all main worldwide pressure vessel certifications: ASME, GOST, GL, PED, RINA, UL.
